GENERAL CONTRACTING | CONSTRUCTION MANAGEMENT | DESIGN/BUILD | PRE-CONSTRUCTION
When John Ernest Dunn founded JE Dunn Construction in 1924, he wanted to do more than build buildings. He wanted to build relationships, too. So Dunn founded his company with strong values: uncompromising integrity, unparalleled concern for excellence and an unwavering belief in the value of its employees. Through steadfast commitment to these values, JE Dunn has built a legacy of excellence. It is this legacy which we invite you to share.

It is engaged in the construction and sale of high quality homes designed principally for the entry-level and first time move-up markets. More people build their home with D.R. Horton than any other builder. That's why we've been ranked America's #1 Homebuilder by Builder Magazine since 2002. The Company also provides mortgage financing and title services for homebuyers through its mortgage and title subsidiaries. Please visit our website at www.drhorton.com for more information.
Doran Construction Company

7803 Glenroy Road Ste 100 • Bloomington, MN 55439

Rep(s): Paul Kolias

Positions Available: Project Managers

With 30 years experience developing, constructing and managing millions of square feet of commercial properties, including award-winning projects such as The Edge on Oak, Tamarack Village, the Village of Blaine, Silver Lake Village, and Calhoun Commons, Kelly Doran and colleagues who share his vision, integrity, and dedication, have established a remarkable track record in the industry.

Egan Company

7625 Boone Avenue North • Brooklyn Park, MN 55428

Rep(s): Kaaren Maxton

Positions Available:

Egan Company is one of the largest, multi-trade, specialty construction contractors and systems integrators in the Midwest. We serve every stage of a building and provide in-house expertise in planning, design, engineering, construction, and maintenance by representing over 15 skilled trade unions serving virtually every infrastructure discipline in the industry. Core services include: mechanical, electrical, engineering & design, curtainwall/glazing/panel systems (InterClad), millwrights, fabrication, building systems, controls & system integration, and service. From general contractors and architects to building owners and facility engineers, Egan collaborates throughout the entire construction or project process with the shared goal of maintaining best-in-class relationships with our customers. At nearly 1,000 employees occupying our offices and worksites, we aim to ensure every project is done with quality craftsmanship, integrity, and an aggressive commitment to safety. In fact, we're proud to be recently recognized as one of America's Safest Companies. For more information about Egan Company (or its InterClad and Nietz brands), visit www.eganco.com.

Erickson Builders & Co., Inc.

14165 James Road East Suite 200 • Rogers, MN 55374

Rep(s): Faith Faatz

Positions Available: Project Manager Internship, Superintendent Internship

Jerry and Ryan Erickson formed Erickson Builders & Co. Inc. in 1995 as a full-service residential and commercial contractor. In 2008 Ryan, a United States Marine Veteran, took majority ownership of the company and redirected the focus from residential to State and Federal work. Erickson Builders & Co. Inc. is proudly built on our shared family values: honesty, loyalty and work ethic. We have years of experience and a lengthy list of very satisfied customers.
customers. We pride ourselves on working with each client, listening to what they need and want in a project outcome, and communicating the costs, timing and benefits open and honestly. Erickson Builders & Co. Inc. is committed to offering quality products and personal service with integrity. Client satisfaction is our top priority. We are proud of who we are, what we do, and how we do it. Every employee at Erickson Builders & Co. Inc. agrees: far and away, the best prize in life is the chance to work hard at work worth doing.

FABCON Precast, LLC
www.fabcon-usa.com

It is our goal to provide all of our current and potential customers with complete opening solutions tied to outstanding service with the help from our strong manufacturing partners.

Knutson Construction
7515 Wayzata Blvd • Minneapolis, MN 55426
Rep(s): Janyce Clausen, Jens Fredericksen, Kyle Holmes
Positions Available: Internship
Knutson's journey from humble beginnings to an independent, entrepreneurial company is a story of people committed to improving the community, serving owners, and building strong relationships. Founded in 1911 by Norwegian immigrant, Thor Knutson, we have proudly shaped the communities we serve for over a century. Many landmark buildings bear our mark - universities, churches, healthcare facilities, industrial facilities, hotels, sporting and recreation complexes, and many more.

Kraus-Anderson
PO Box 158, 8625 Rendova Street NE • Circle Pines, MN 55014
Rep(s): Bri Ana Vogel, Tim Mayer
Positions Available: Project Engineer Intern
Founded in 1897 and privately owned and managed by the Engelsma family for more than 70 years, Kraus-Anderson Construction is consistently ranked by Engineering News-Record among the top 50 Construction Management-at-Risk Firms in the United States. Our Minnesota base of operations is supplemented with regional offices, extending our capabilities coast to coast. We take a highly collaborative approach with every commercial building project, working closely with owners, architects, and the rest of the planning team well before ground is broken. Clients are equipped with the right information, from cost analyses to schedules, to help them make informed decisions. Our construction management approach results in on time, on budget projects of the highest quality and the best value.

McGough Construction
2737 Fairiview Avenue North • Roseville, MN 55113
Rep(s): Karin McCabe
Positions Available: Project Manager, Estimator
The McGough tradition of excellence can be traced back to mid-19th century County Monaghan, Ireland, where the first generation of McGoughs earned their reputation as craftsmen builders. Today, the fifth generation of McGoughs continues and extends the family tradition, a five-decade-plus history of excellence in planning, development, construction and facilities management. Our work includes new construction and renovation in all sectors of the construction industry, including corporate, industrial, health care, institutional, housing, education, performing arts, retail and worship space. Whether the project involves affordable housing units or major downtown office towers, our approach is to develop and nourish successful partnering relationships with every client. Because our clients' needs have changed over the last decade, McGough has evolved into a full-service real estate and construction services firm.

Reuter Walton Commercial, LLC  www.reuterwalton.com/commercial
2919 Knox Ave S #200 • Minneapolis, MN 55408
Rep(s): Amanda Carlson, Troy Wenck
Positions Available: Project Engineer, Assistant Superintendent, Office Intern, Field Intern
General Contractor in the Minneapolis area specializing in mixed use retail, residential, hotel and medical facilities. Our goal is to provide quality construction services and retain our clients for years to come. We put our customer's needs first, and follow-through on the plans
established during pre-construction to deliver an exceptional product on-time and on-budget. Reuter Walton will work closely with the owner to determine the scope of the project, construction methods and the target budget. Our design-build team works closely with key subcontractors and consultants from conceptual design throughout completion of the construction drawings and specs. At the onset of project planning and design, we work closely with the Owner and design team. Careful review and analysis of the project allows us to balance the Owner's expectations and what can realistically be achieved with respect to quality, available budget and schedule.

THOR Construction, Inc.  www.thorcon.net
5400 Main Street NE Suite #203 • Minneapolis, MN 55421
Rep(s): Bob Lund, Hector Bruce
Positions Available: For a listing of open positions, and to apply, please visit www.thorcon.net
THOR Construction is a 35 year old firm headquartered in Minnesota. We are the largest minority owned business in the state of Minnesota and rank in the top 50 for Black Business Enterprises in the US. We are organized along three primary business lines: THOR General Contracting, Construction Management; THOR Self-Performing Work; THOR Sustainability. THOR Construction possesses a broad range of experience that ranges from Commercial to Residential to Civil to Sustainable to Specialty. Ninety percent of our work has been with Fortune 100 firms and over 70% of that work has been negotiated. This is a testament to our long-term relationships and consistent contributive value that we bring. THOR Self Performing has been placing structural concrete for over a decade as both a self-performing GC and as a concrete specialty subcontractor. THOR Sustainability is built around driving social, economic and human wellbeing through the built environment. We focus on driving improvements to guest and staff experience and reduction in utility consumption with existing buildings.

U of MN - Capital Planning and Project Management
300 Donhowe Building 319 15th Avenue S.E. • Minneapolis, MN 55455
Rep(s): Megan Lopez
Positions Available: Construction Project Managers
Capital Planning and Project Management has system-wide responsibility for planning, designing and constructing fixed assets including new and existing buildings, furnishings and equipment and utility infrastructure. CPPM provides high-quality campus master planning and construction services to the University community. CPPM contributes to informed decision-making and risk reduction/management by staffing the Capital Oversight Group. This cross-functional, enterprise wide group coordinates all activities related to the University's capital planning, financing, communication and construction activities. Overseen by the Vice President for University Services and the Vice President of Budget and Finance, the Capital Oversight Group provides direction to multiple University units. This coordinated leadership ensures that the University's campus development and capital planning work is done in alignment with academic planning needs.
U.S. Army Corps of Engineers

180 Fifth Street East Suite 700 • St. Paul, MN 55101-1678

Rep(s): Shannon Bauer

Positions Available: Positions offered sporadically throughout the year across the nation.

The St. Paul District of the Corps of Engineers plans, designs, builds, and operates water resource projects for Minnesota, western Wisconsin, northeastern North Dakota, and portions of South Dakota and Iowa. We are responsible for supporting inland navigation; helping local communities manage flood risk, operating 16 reservoirs for flood damage reduction, recreation, fish and wildlife habitat and water supply; environmental restoration programs to improve fish and wildlife habitat; and emergency response operations during and following disasters.

U.S. NAVY

1 Federal Drive Suite 2501 • Fort Snelling, MN 55111-9637

Rep(s): Carl Laney

Positions Available: Various

United States Navy Officer Programs. America’s Navy is a global leader that the world relies on when disaster strikes – and often when there’s nowhere else to turn to. No other group is poised to answer the call of helping those in need the way the Navy can – with assets that cover air, land and sea. In this respect, it’s no surprise that the dedicated men and women who serve in the Navy are compelled to provide assistance in times of need. Uniquely qualified and able to support humanitarian assistance and disaster relief, the Navy has both a global presence and considerable capabilities. You too can be a part of this great mission to serve the needs of others and to provide care in times of human suffering. And you’ll enjoy the pride of serving your country while you do it.

Weis Builders

7645 Lyndale Avenue South • Minneapolis, MN 55423

Rep(s): Lisa Franczak

Weis Builders, established in 1939, has maintained a reputation for building solid relationships. As a third-generation, family-owned general contractor, we continue to exceed client's expectations with our versatility, responsiveness, talented associates, and progressive attitude. Weis Builders is ranked among the top US construction companies by Engineering News Record. We complete projects throughout the country from office locations in Minneapolis and Rochester, MN; Chicago, IL; and Dallas, TX. Weis Builders excels in various markets, including multi-unit residential, senior living, hospitality, retail, commercial, and healthcare. We support the development needs of our clients by providing delivery methods such as general contracting, design/build, and construction management. In the end, it all comes down to successful relationships with our clients.
