Call Career and Internship Services to schedule an appointment to determine which assessment will be most helpful to you, 612-624-2710.

About Government Employment
http://www.careerhelp.umn.edu/governmentjobs
Comprehensive information on local, state and federal employment compiled and condensed by Career and Internship Services.

Blue Green Alliance
http://www.bluegreenalliance.org/home
A collaboration of union and environmental groups, advocates for green jobs. Internships.

Center for Conservation Biology
http://www.ccbbirds.org/resources/
Hosts a collection of academic publications and educational materials. You can also track birds online.

Institute on the Environment
http://environment.umn.edu/
IonE discovers solutions to Earth's most pressing environmental problems by conducting transformative research, developing the next generation of global leaders and building world-changing partnerships.

Marine Conservation Biology Institute
https://marine-conservation.org/who-we-are/jobs/internships/
Resources for finding job openings, informational workshops, publications, recent news

Nature
https://www.nature.com/subjects/conservation
Frequently updated archive of scientific reports and data regarding conservation biology.

Nature Conservancy
http://www.nature.org/?src=logo
Job postings, volunteer opportunities, news resources, and customized conservation pages.

Smithsonian National Zoo News Archive
https://nationalzoo.si.edu/news/archive
Run by the Smithsonian National Zoo and Conservation Biology Institute, this source is updated regularly with scientific news and stories from the Smithsonian National Zoo.

University of Minnesota Undergraduate Research
http://www.urop.umn.edu
Offers research and creative activity experiences to students in all of our undergraduate colleges, to students in honors programs, as well as students not in honors programs.

World Fishing & Aquaculture
http://www.worldfishing.net/
Provides the latest news and information on new products, services and techniques, alongside country profile features, interviews and regular columns from fishery experts.

World Wildlife Fund
http://www.panda.org/
Links to job postings, internship experiences, volunteer opportunities, and events related to wildlife. Also provides access to information about contributing to conservation, preserving wildlife and current news.

Student Groups for Fisheries, Wildlife & Conservation Biology

For more information on the student organizations below, and others, visit
https://gopherlink.umn.edu/organizations/

CFANS Student Board
https://gopherlink.umn.edu/organization/347
Comprised of elected executive student delegates and standing student group representatives that work directly with faculty and staff of the College of Food, Agricultural, and Natural Resource Sciences to create open communication across all levels of the college.

Fisheries, Wildlife and Conservation Club / Student Chapter of the Wildlife Society
https://gopherlink.umn.edu/organization/278
Promotes fellowship among students and faculty in the Department of Fisheries, Wildlife and Conservation Biology and sponsors social, vocational, and educational events.
Contact: fwcbclub@umn.edu

MANRRS (Minorities in Agriculture, Natural Resources, and Related Sciences)
https://gopherlink.umn.edu/organization/513
A St. Paul based non-profit organization with the purpose to provide students of different backgrounds with the opportunities to grow professionally within their field of interest, socialize with other students of the same or different background, and make a difference in the community. MANRRS is also a nationally recognized organization with yearly conferences. All are welcome!
Contact: mnmanrrs@yahoo.com

Pre-Vet Club
https://gopherlink.umn.edu/organization/804
An undergraduate organization with the purpose of instilling the utmost knowledge in future veterinarians through the aid of guest speakers, group discussions, hands-on experiences, study groups, and social events.
Contact: pvc@umn.edu

St. Paul Ambassadors
A voluntary, honorary organization consisting of undergraduate students from the College of Food, Agricultural and Natural Resource Sciences at the University of Minnesota. They assist in promoting the College to prospective students and their parents, alumni, potential donors, and friends of the College and University of Minnesota.
