Student Organizations for Health Services Management

For more information on the student organizations below, and others, visit https://gopherlink.umn.edu/organizations/

Minnesota Medical Leaders
https://gopherlink.umn.edu/organization/1971
The Minnesota Medical Leaders (MML) is a University of Minnesota pre-med student organization committed to developing leaders who seek to transform the health industry in the service of our culturally diverse and socioeconomically disparate population. We focus our efforts on the growth of our members, on becoming the health care leaders of tomorrow, and on achieving social justice through medicine.

American Medical Student Association – Pre Med Minneapolis Chapter
https://gopherlink.umn.edu/organization/54
Pre-Med AMSA is a pre-professional medical student organization. We strive for all our members to be well-balanced pre-medical students. While having a good MCAT score, GPA, and resume is important to medical school applications, we believe our members will stand out by their commitment to improving our community and advocating for health locally and globally.
